

Before and After School Care

Before and after school options for your student

Students can be dropped off at the school any time after 8:30 am and they can be picked up as late as 3:30 pm.

This allows students to complete any assigned work so homework should always be at a minimum.

After school care ends at 5:00 pm.
The cost depends on the service selected.

Please contact us for the aftercare rates for the current school year.

Our school care program offers plenty of activities for the students in addition to time for completing homework before playing.
